Certificate of Analysis-Black Silicon Carbide 88% SiC

General Information

Product : Black Silicon Carbide for Refractories, Metallurgical
Other Names : Black Silicon Carbide, Black SiC, C
Country of Origin : China
Manufacturer of Material : Luoyang Zhongsen Refractory Co., Limited
Features : Chemical Stability, Cost-Effective

Picture of Product:

Physical Specifications & Package

Main Content : SiC
Specific Gravity : $\geq 3.15 \text{ g/cm}^3$
Bulk Density : $1.20\text{-}1.60 \text{ kg/m}^3$
Hardness : 8-9 MOSH
Color : Black
Melting Point : 2300°C
Sizes Available : 0-10mm, 0-1-3-5-8mm, 100mesh, 200mesh, 325mesh
Package : Jumbo Bag
